THE RUBY RIVER VUE

A3

This unit features an open floor plan with a large north facing partially covered deck.

The well designed kitchen is highlighted by a center island, pantry, and bar area that is adjacent to the spacious dining and family rooms.

The master bedroom suite with views to both the north and west includes a walk-in closet and a private bath with dual-sink vanity and tiled shower.

This home also boasts a second bedroom with full bathroom and a separate laundry room.

- 10' ceilings
- 2 bedrooms, 2 baths

RIVER VIEW
